

OUR BREWS

Czech Pilsner

Our pilsner is a light hoppy European style lager. Brewed with Czech Saaz Hops using a traditional layering process. This involves a cool fermentation and a long conditioning over several weeks at a low temperature.

Golden Ale

Our Golden Ale uses both Munich & Crystal malts for a sweet breadly flavour. We then add Galaxy & Citra hops, and finally dry hopped with Galaxy & Enigma to give a floral finish.

Australian Pale Ale

Using Maris Otter & Joe White Munich malts to create a rich & slightly nutty base. Hopped with Fuggles and Amarillo for body and bitterness, then dry hopped with Cascade to add a floral, spicy and citrus complexity.

Grand Porter

Our Grand Porter is a smooth tasting dark ale. We use five different malts such as chocolate and amber to ensure it exerts a full flavour profile. Originating from London in the 18th century this beer is still very much alive today.

Hefeweizen

Our Hefeweizen is beautifully balanced, cloudy and pale straw in colour. Made with Wheat Malt & Pilsner Malt. This German style wheat beer has hints of banana and clove. It weighs in at 5% ABV and 12 IBU.

Apple Cider

Our Cider is made from 100% locally sourced apple juice, strictly no powdered concentrates here! Using a variety of Pink Lady, Granny Smith & Red Delicious apples, and a cool fermentation, best enjoyed over ice

Pear Cider

This pear cider is made from 100% local fruit. With a touch more natural fruit sweetness than our Apple Cider

We reckon that most people spend too much time doing what they have to do, not what they want to do.

Well that was us a few years back, until we met the Shivering Man. Inspired by his bare all attitude, we joined him in taking the plunge to do what we really wanted ... to run a brewery with mates.

And that's what Coldstream Brewery is all about, taking the time to do what you want to do. The boys started out brewing in what is now The Brewery Bar.

A lot has changed since 2007, we've added three new beers to the line-up along with two ciders, and we're now available nationwide. Brewing no longer happens on site, but the beers are true to the original recipes; high quality hops, malt and yeast that were trialed, tested and tasted many a time out at the Pub.
